ASCENSION BEHAVIORAL HEALTH

We Excel at Making Lives Better

Welcome to Capital Area Human Services at Ascension Behavioral Health. We offer outpatient treatment and recovery support services for mental health, substance abuse, and co-occurring disorders.

Now Offering Addiction Recovery Services

Outpatient services, including assessment, evaluation, individual and group therapy and medication-assisted treatment, are now offered for individuals struggling with substance abuse.

- Screening, Assessment & Evaluation for Substance Use Disorders
- Medication Management
- Outpatient Individual and Family Therapy
- Medication-Assisted Treatment (MAT)*
- Addiction Recovery Groups: Intensive Outpatient Treatment (IOP), Continuing Care, Family Education Group (part of IOP group sessions)
- Services for Judicially-Involved Individuals
- Primary Care Referral (Current CAHS clients)
- Peer Support Services
- Tobacco Cessation Services
- Compulsive Gambling Program (Referral to CAHS Baton Rouge Behavioral Health)
- Early Intervention for Children/Adolescents (Referral to CAHS Children's Behavioral Health)
- Screening and Referral to Detoxification and Residential Treatment

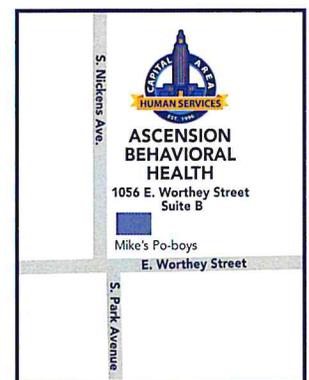

*MAT includes counseling, support, and medications, such as buprenorphine (Subtex/ Suboxone), to help manage withdrawal symptoms and reduce cravings. Naltrexone (Vivitrol) injections block the effects of heroin and pain pills to prevent relapse.

Walk-ins are accepted Monday through Friday starting at 7 AM, on a first-come, first-served basis.

FEES: Medicaid, Medicare, and most major private insurances are accepted. Insurance copays, deductibles, and coinsurance are due at the time of service unless acceptable payment arrangements are made. Please call our billing office at 225-925-1906 for service coverage and benefits for private insurance.

Fees are assessed for uninsured clients requesting services based on their ability to pay according to our policy. No one will be denied access to services due to an inability to pay. A sliding fee scale is available based on family size and income.
